

## CHOCOLATE PEANUT BUTTER FLOATS

### WHAT YOU NEED:

#### Ingredients:

4 cups chocolate milk  
1/2 cup creamy peanut butter  
1 tablespoon vanilla extract  
1 pint vanilla ice cream  
2 cups carbonated water  
(optional)

#### Equipment:

blender  
liquid measuring cup  
dry measuring cup  
8 tall glasses  
ice cream scoop  
iced tea spoon

### WHAT TO DO:

1. Measure milk, peanut butter and vanilla into blender container.
2. Put lid on blender. Blend on high until smooth.
3. Turn blender to OFF. Remove top.
4. Fill each glass to half full with the milk mixture.
5. Add 1 scoop of ice cream to each glass.
6. Measure carbonated water and gradually pour 1/4 cup down inside of each glass.
7. Stir slightly with spoon.

*Makes 8 servings.*
